

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

To all concerned:

I am a former resident of NY and who presently resides in CT. I am writing this in support of my parents. I am a Mets fan and also happen to subscribe to Direct TV. I, therefore, am able to receive all YES network programming, while my parents, NY residents and staunch Yankee Fans are not. Does this seem fair? I think not.

While I am in favor of the merger, I feel that all programming should be made available to both Direct TV and Dish Network subscribers. Please see to it that these two mega companies do right by all subscribers.

Sincerely,

Robert Graziano
